

## AMERIPOLISH SR2

The Concrete Protector's Ameripolish® SR2 is a penetrating stain repellent designed to safeguard both dyed and non-dyed polished concrete from oil- and water-based stains. Its advanced water- and oil-repellent properties deliver superior protection across a wide range of concrete surfaces. While SR2 can be used on its own, maximum performance is achieved when applied in combination with Ameripolish® 3D HS or HSL Densifiers.
