

MARBLEIZING SPRAY

The Concrete Protector's Marbleizing Spray is a high-coverage spray paint designed to replicate the natural beauty of marble and is an essential part of our Italian Marble Floor System. This decorative spray allows for quick and easy application of color wisps, creating the sophisticated, layered appearance of real marble.

Available in six vibrant colors, Marbleizing Spray can also be applied to a variety of surfaces, including paper, cardboard, primed canvas, wood, glass, metal, ceramics, porcelain, stone, acrylic, and other paintable materials.
