

PROTECTOR QUICK FIX

Protector Quick Fix from The Concrete Protector is a two-component polymer repair material designed to fill small holes, surface pits, and hairline cracks in concrete floors. When paired with The Concrete Protector's Decorative Texture Mix, this rapid-setting formula can be applied, ground smooth, and ready for coating in as little as 15 minutes. Protector Quick Fix cures to a rigid finish and is not intended for use in expansion or control joints.

ACCESSORIES:

DECORATIVE TEXTURE MIX

SKU# DM-3913
