

# ACRYLIC 25 VOC

## GREAT PROTECTION

*Acrylic Shield 25 VOC is a high-gloss, fast-drying, non-yellowing pure acrylic sealer formulated for exterior decorative concrete. It provides enhanced protection against rain, sunlight, freezing temperatures, stains, and other environmental factors that can damage concrete. When applied to exposed aggregate, it helps prevent loose pebbles and reduces premature wear. \*For exterior use only.*

## Multiple Uses

Acrylic Shield 25 VOC serves as a top-coat sealer for exterior decorative concrete surfaces. This single-component, "ready-to-use" pure acrylic sealer, with 25% solids, is ideal for a wide range of applications, including stamped concrete, stenciled concrete, acid-stained concrete, cementitious overlays, exposed aggregate, smooth troweled concrete, and broom-finished concrete.

## Benefits

- Easily applied, high sheen sealer designed specifically to meet the need of exterior decorative concrete surfaces
- Excellent penetration and adhesion to clean, unsealed new or old concrete
- Non-yellowing tough 100% pure acrylic sealer
- Can be applied as a reseal over previously sealed concrete surfaces sealed with pure acrylic sealers (test for compatibility first)
- VOC compliant for most areas in the United States and Canada
