

GRANISEAL

The Concrete Protector's GraniSeal is a two-part, fast-curing poly-hybrid sealer. This 66% solids polyaspartic aliphatic urethane clear coat sets quickly and offers excellent chemical resistance. It also provides outstanding UV stability, abrasion resistance, and is VOC-compliant, making it a durable and long-lasting protective finish.

GREAT FOR EXTERIOR APPLICATIONS

GraniSeal resists yellowing and is ideal for exterior applications and well-ventilated areas. It serves as the perfect topcoat sealer for epoxy flake and quartz broadcast systems, providing enhanced protection and long-lasting durability for pool decks, porches, patios, and garage floors.

ACCESSORIES:
Wood Handle Threaded
SKU: TL-7393
18" Roller Frame
SKU: RL-4319
WTF Topcoat Roller
SKU: TCR-1001
Spiked Shoes
