

## **STI 3 PIN DZ SPHERES ADAPTER (NEW STYLE 2 PINS)**

The Concrete Protector's STI 3 Pin DZ Spheres Adapter (New Style 2 Pins) is a precision adapter engineered to fit grinding tools securely on a variety of grinding machines. It ensures accurate alignment and a stable connection, optimizing efficiency for concrete surface preparation and polishing tasks.

The updated 2-pin design improves compatibility, performance, and durability in demanding grinding applications. Made from high-quality materials, this upgraded adapter offers enhanced stability and adaptability compared to traditional 3-pin systems, reducing the risk of slippage during operation.

### **GREAT BENEFITS**

- Allows STI machines with a 2-pin configuration to use grinding tools and accessories designed for a 3-pin system
- No need to purchase entirely new tools
- Easy to install
- Designed to handle the rigors of heavy-duty grinding operations
