

STI TO 3 PIN DZ SPHERES ADAPTER (OLD STYLE)

The Concrete Protector's STI to 3 Pin DZ Spheres Adapter (Old Style) is a versatile adapter that enables the use of STI-compatible diamond tooling on grinders and polishers equipped with the 3-pin DZ spheres system. It allows for seamless integration between different tooling systems, ensuring efficient and consistent performance in concrete grinding and polishing tasks.

Constructed from high-quality materials, this adapter makes switching between systems simple without the need for additional equipment. The old-style design provides a secure, stable connection, delivering optimal torque transfer and tool control for smooth, even grinding results.

GREAT BENEFITS

- Provides a wider range of tooling options without needing to buy new tools specific to one grinder
- Simplifies switching between different types of tools
- Can withstand the rigors of heavy use
