

TAPE GUN

The Concrete Protector's Tape Gun is a versatile and efficient tool designed for both professional painters and DIY enthusiasts. It combines masking tape with masking film or paper in a single, easy-to-use device, allowing for fast and precise coverage to protect surfaces from paint splatters, drips, and overspray. Perfect for a wide range of masking applications, it is ideal for painting, remodeling, and construction projects.

ACCESSORIES:

TAPE GUN BLADE

SKU# SCP-6229
