

JUMBO ROLLER FRAME

The Concrete Protectors jumbo roller frames are larger sized frames, allowing for more extensive coverage with each stroke, minimizing work time. These frames are especially helpful in the installation of acrylic sealers. Crafted from durable materials, these frames ensure longevity and resilience.

ACCESSORIES:

**WOOD HANDLE WITH
THREADED TIP=**
SKU# TL-7393

JUMBO ROLLER COVER=
SKU# RL-4329

ACRYLIC SHIELD 25=
SKU# SE-2803

GREAT BENEFITS
