

WTF!? FUZZLESS ROLLER

WTF!? FUZZLESS ROLLER

These topcoat-specific roller covers will have you asking, "Where's the fuzz?" Designed to eliminate the risk of lint contamination in your finish, they provide a smooth, consistent application every time.

The WTF Roller Cover features a high-density woven fabric that resists shedding, ensuring a clean, lint-free result. Ideal for applying topcoat sealers such as epoxies, urethanes, and polyurethanes, this roller cover helps deliver a professional-grade finish without the worry of unwanted fibers in your coating.
